## APPLICATION FORM K-8

### Admission and Application

Children are evaluated on the basis of readiness for school and potential for success in our classroom. It is equally important to determine whether the parents' educational philosophy is compatible with that of *TTT Academy*.

The admissions process consists of a parent observation visit, submission of an application form, a non-refundable registration fee, and a parent-child-teacher meeting.

*TTT Academy* welcomes **ALL** children thus providing a multicultural & diverse learning environment.
